#### Lesson Starter

##### **Culture and Diversity**

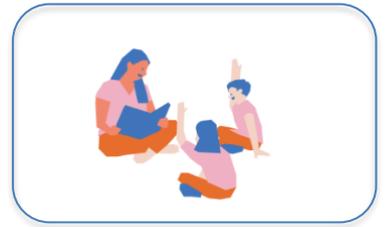

- ✚ Write culture and diversity on the board.

- ✚ Ask children to Think-Pair-Share what it means to them.

- ✚ Why do we celebrate Culture and Diversity?
- ✚ What different Cultures do we have in our class?

- ✚ Ask children to discuss ways to show Culture and Diversity in a picture.
- ✚ Talk about how Cultural day aims to raise cultural awareness and bring people together.

- ✚ Show the image and explain to children that they will be working on a collaborative art piece in pairs or in threes. Demonstrate how to rip and scrunch tissue paper, then how to dip it into glue to put on the paper. Demonstrate how to finger paint (or use any circular tools you wish) to create the painted dots.

## **Main Activity**

Children work in groups to create their final piece. Then, they decide a name for their art work.

## **Wrapping Up**

Bring the children back together and talk about their art pieces.

- ✚ How has each group personalised their artwork?
- ✚ Ask groups to say something they like about another group's work.
